## Group Activities

### 1950's -1959 Quiz

We began the group quiz on a Thursday morning and introduced it as "Thinking Thursday". This allowed our service users to get their brains working and also taking them back to the 50s to reminisce on past events.

Quiz

## Cowboy Craft

We created our home-made country and western theme banners ready for our party. These were displayed above the telly in the ground floor lounge. Individuals made their own unique boots which created a wonderful display.

## Country & Western Party

Hosted by Rachel, Service users staff and families had a lot of fun at the country and western party. This included a photo shoot games, music and also also a wonderful buffet created by our lovely chef Agnese.

# Llanover Hall with Oak House

On most Wednesdays we join Oak house at Llanover Hall which is situated in between both homes. This gives our service users a chance to be in surroundings and also make new friends. All who attended this week had a lovely time the opportunity to look back on some old memorabilia, including a toffee tin make up and cough sweets.
